

Interim Superintendent Gaynell Albert Recipient Of Child Welfare And Attendance Award

On Thursday, June 16, 2016, at the 2016 LACWAP (Louisiana Association of Child Welfare and Attendance Personnel) Summer Conference at the Embassy Suites in Baton Rouge, Interim Superintendent Albert received the Wilfred Broussard Award. This award is the most prestigious award this organization presents.

Mr. Wilfred Broussard (Acadia Parish) was one of the most compassionate and influential Child Welfare and Attendance Supervisors in the State of Louisiana. He left a mark of excellence in the hearts of all Child Welfare and Attendance Supervisors as well as School Social Workers.

This award was named in his honor for his dedication and concern for the children of his parish and state. Since that time we have shared his passion through the recognition of an individual each year that shares the passion and commitment to the students of their parishes and the state.

Interim Superintendent Albert has served as Vice-President, President Elect, President and currently Past President of the LACWAP organization. She is an inspiration and motivator to all who share her passion in assisting students to succeed.

Congratulations to Interim Superintendent Albert for this recognition and commitment to the welfare of the students in St. James Parish.

Final Tally Nets Over 76,000 Pounds Collected During 18th Annual Household Hazardous Materials Collection Day!

On Saturday, April 16, 2016 the 18th Household Hazardous Materials Collection Day was held in Luling and LaPlace, LA, and the final tally totals 76,317 pounds of material collected to recycle, dispose and treat.

This event has been held annually since 1998 and its purpose is to provide area households an opportunity to properly dispose or recycle materials that are inappropriate for curbside pickup. Materials such as solvents, poisons, used oil, electronics and corrosives require special handling to minimize safety and environmental impact.

25 area manufacturers sponsored the event, providing funding and volunteers. Of the 76,317 pounds of materials collected, 90% was recycled or recovered. Of the 76,317 pounds, 9,530 pounds was oil/antifreeze, almost twice the amount collected last year.

Batteries comprised

3,323 pounds, very similar to the 2015 event collection amount. Latex paint was 11,866 pounds, the most ever collected and nearly four times the average. Used electronics accounted for 17,724 pounds, while 3,860 pounds was scrap metal.

The two sites this year included assistance from 92 volunteers who serviced drop-offs from 490 vehicles. Please visit the event website at www.hhmcd.com for additional information and to see photographs.

With approval from Louisiana Department of Environmental Quality and support from St. Charles Parish Council, St. James Parish Office of Emergency Preparedness, Department of Transportation and Development and St. John Parish Sheriff's Office, this event was sponsored by the following companies as a community service: Air Liquide, Air Products (multiple loca-

St. James Parish Retired Teacher Association

These retirees were honored at the June 16th St. James Parish Retired Teacher Association meeting: Christine Zeller (33 years), Ethel White (20 years), Sharon K. Louque (28 years), Judy Ezidore (38 years), Gail Carter-Dennis (9 years), and Paula A. Dennis (19 years).

The St. James Parish Retired Teacher Association received a tremendous honor at the LRTA State Convention for having the largest percentage of members out of all other parishes in 2015. Receiving the award for St. James RTA are Doris Jacobs (Vice President), Millie Matherne (President), Raymond Dillon (Chaplain), Joellyn Hebert (Secretary), Sandra Smith (Treasurer), and David Granier (Parliamentarian).
