Spiritual

Seminarians are offered an integrated program that fosters personal contact with Jesus Christ through scripture, sacraments, prayer, study and individual guidance.

Human

Seminarians are given structured opportunities to grow in Christian maturity, responsibility, cultural and social awareness, personal wellness and community identity.

SAINT JOSEPH ABBEY + SEMINARY COLLEGE

Saint Joseph Abbey + Seminary College extends its first-ever national corporate partnership invitation to join our S.H.I.P., which is named after the four pillars of priestly formation used in teaching our young seminarians to lead a life in God's service: **S**piritual, **H**uman, **I**ntellectual and **P**astoral. S.H.I.P. is unique as a partnership in a mutual value-centered philosophy and one which affirms the highest corporate aims of American enterprise.

As a member of S.H.I.P., your partnership will be showcased through the unique lens of Saint Joseph Abbey + Seminary College and will be viewed by the donors, friends and extended families of the Abbey. Through the Abbey's provisions, your company will receive recognition through joint marketing, website presence, public relations and communications outreach, as well as exposure and recognition at the Abbey's major public events. An alliance with Saint Joseph Abbey + Seminary College and its 125 years of history and extensive contemporary network throughout Louisiana, Texas and beyond, will add an invaluable cause-marketing opportunity for the company's outreach portfolio. Your employees, many of whom may volunteer or visit the Abbey, will be gratified and excited by this new and meaningful corporate relationship.

The S.H.I.P. partnership offerings each represent a simple and effective means to achieve or extend an enduring and unusual corporate relationship to the famously respected Benedictine tradition which encompasses hospitality, peace and service.

Please join us.

That the man of God might be perfect, after having been equipped to every good work. 2 Timothy 3:17
